

WINE ENTHUSIAST.

MAGAZINE

These are the California Cabernet Sauvignon varietals which received ratings of 90+ in *The Wine Enthusiast*, March 2009 Issue.

91 Tudal 2005 Clift Vineyard Cabernet Sauvignon (Oak Knoll); \$35.

This is a food-friendly Cab. It's made in an elegant style, with fine acidity and firm tannins that frame black and red currant, plum, mocha and cedar flavors. Lovely now, but so balanced, it should develop for ten years. —S.H.
