## 2009 CRITICS CHALLENGE INTERNATIONAL WINE COMPETITION AWARDS HONKER BLANC 2008 WITH PLATINUM, NAPA VALLEY CUVEE WITH GOLD!

**Oakland, CA** – All of us at team Cerruti and Tudal wished to inform you of the great news we received only days ago... Our recently bottled vintage of Honker Blanc Sauvignon Blanc 2008 received a **Platinum Medal** while our Napa Valley Cuvee 2006 (our dressed up Tractor Shed Red) received a **Gold Medal**. Due to the awards recent announcement, tasting notes have yet to be supplied, but we can guarantee that once they are available we will send those along as well!

Cerruti Cellars is a California Wholesale Winemaker. Our wines are primarily made from Napa Valley grapes. We take pride in making great tasting wines for an affordable price including our Honker Blanc (Sauvignon Blanc), Tractor Shed Red, and Tudal Family Winery Napa Valley Cuvee, Mer Blanc (Merlot Rose), and Clift Vineyard Oak Knoll District Cabernet Sauvignon. Our growing collection of wine competition medals are a small validation that we are still on the right track with our light-hearted and easy-drinking, Consumer Friendly Brands (“CFB”).
