

2006 TRACTOR SHED RED

Tudal Family Winery is proud to release the 10th vintage of our Tractor Shed Red. The tradition began back in 1997 when Arnold's son John dragged the family's 1947 Massey-Harris tractor out of the weeds and displayed it in front of the old dilapidated tractor shed. To make a long story short, the shed got a face lift and that old '47 Massey-Harris looks pretty darn good sitting out front.

The blend of Sangiovese (60%), Merlot (20%) and Zinfandel (20%) is as unique and fun as that old tractor. Complex, earthy nose of leather, cigar box, honeysuckle and dark cherry fruit. Medium body with just the perfect touch of tannins on the finish. A delicious everyday wine from the Napa Valley.

Production: 9800 Cases Alcohol: 14.6%
Appellation: Napa Valley pH: 3.68
Bottled: August 22, 2007 Total Acid: .69
Winemaker: Ron Vuylsteke Brix: 24.2
